

SELF-ASSESSMENT GUIDE

Qualification:	MASONRY NC II		
Project 1:	LAY BRICKS / BLOCKS FOR STRUCTURE AND PLASTERING		
Units of Competency covered:	<ul style="list-style-type: none"> • Prepare masonry materials • Perform basic masonry work • Lay bricks / blocks for structures • Plaster Concrete / Masonry Surface 		
Instruction: <ul style="list-style-type: none"> • Read each of the questions in the left-hand column of the chart. • Place a check in the appropriate box opposite each question to indicate your answer. 			
Can I?	YES	NO	
• Prepare bricks/blocks for structure			
• Lay-out/establish block or bricks for structure			
• Prepare for plastering work			
• Prepare concrete/masonry surfaces			
• Perform plastering work			
• Perform good housekeeping			
• Prepare accomplishment report			
<p>I agree to undertake assessment in the knowledge that information gathered will only be used for professional development purposes and can only be accessed by concerned assessment personnel and my manager/supervisor.</p>

SELF-ASSESSMENT GUIDE

Qualification:	MASONRY NC II	
Project 2:	INSTALL PRE – CAST BALLUSTERS AND HANDRAILS	
Instruction: <ul style="list-style-type: none"> • Read each of the questions in the left-hand column of the chart. • Place a check in the appropriate box opposite each question to indicate your answer. 		
Can I?	YES	NO
• Interpret plans and details as per job requirement*		
• Select and use PPE in line with job requirements*		
• Select and prepare materials, tools and equipment consistent with job requirements*		
• Stage and stockpile materials at designated places		
• Lay-out and mark pre-cast balusters and handrails*		
• Align and secure pre-cast balusters and handrails*		
• Apply mortar to pre-cast balusters and handrails according to job requirements*		
• Demonstrate knowledge of accident prevention		
• Demonstrate familiarity with first aid regulations*		
• Demonstrate knowledge of safety signs and symbols*		
• Demonstrate knowledge of safety use of scaffolds and ladders*		
• Demonstrate knowledge of linear measurement		
• Perform good housekeeping*		
• Prepare accomplishment report		
I agree to undertake assessment in the knowledge that information gathered will only be used for professional development purposes and can only be accessed by concerned assessment personnel and my manager/supervisor.

SELF-ASSESSMENT GUIDE

Qualification:	MASONRY NC II	
COC 1:	LAY BRICK/BLOCK FOR STRUCTURE <ul style="list-style-type: none"> • Prepare Masonry Materials • Perform Basic Masonry Works • Lay Brick/Block for Structure 	
Instruction: <ul style="list-style-type: none"> • Read each of the questions in the left-hand column of the chart. • Place a check in the appropriate box opposite each question to indicate your answer. 		
Can I?	YES	NO
Prepare Masonry Materials:		
• Selected and used PPE in line with job requirements*		
• Secured work instruction from the appropriate personnel		
• Determined the quantity and type of materials to be hauled as per instructions*		
• Checked the availability of hauling equipment as per job requirements		
• Hauled materials following the specified work schedule*		
• Checked mixing tools and other equipment as per job requirement*		
• Determined concrete or mortar mix and quantity according to instructions*		
• Mixed concrete mortar according to instructions*		
• Demonstrated knowledge of accident prevention		
• Performed good housekeeping		
• Demonstrated knowledge of the different types of blocks, bricks, cement or aggregates*		
• Demonstrated knowledge of the different types of masonry anchors, ties and reinforcements		

Perform Basic Masonry Works		
• Identify, measure, cut and bend steel bars as instructed*		
• Segregate cut and bend steel bars		
• Perform fabrication of steel bars in line with rebar cutting and bending schedule*		
• Check and verify components of scaffoldings based on job requirements*		
• Erect and dismantle scaffold in accordance with safe work procedures*		
• Inventory and return scaffold components to stockpile following company rules and regulations		
• Identify, measure, cut and fabricate form work materials as instructed*		
• Segregate cut materials according to size		
• Perform fabrication of materials into forms following work instructions*		
• Strip form works following established/recommended procedures		
• Perform excavation work following job specifications*		
• Fill excavated portion with gravel base coarse in line with job requirement*		
• Perform backfilling and compaction in line with job requirement*		
• Perform concreting of wall footing, columns and lintel beam in accordance with line and grade*		
• Prepare daily accomplishment report following company's standard operating procedures*		
• Recover and stockpile surplus resources following established procedures*		
• Demonstrate familiarity with first aid regulations		
• Demonstrate knowledge of metric system, linear measurements and basic Math operation		
Lay Bricks/Blocks For Structure		
• Interpret plans and details as per job requirement*		
• Select and use materials, tools and equipment consistent with job requirements*		
• Stage and / or stockpile materials at designated places*		

• Perform wall surface preparation following establish procedures*		
• Determine limits of plastering to establish require dimensions of structure*		
• Perform plastering wall according to job requirement*		
• Check and monitor tools, equipment and other surplus resources following established procedures		
• Demonstrate ability to erect, safely use and dismantle scaffolds*		
I agree to undertake assessment in the knowledge that information gathered will only be used for professional development purposes and can only be accessed by concerned assessment personnel and my manager/supervisor.
