2015 Edition

# TESDA: The Authority in Technical Education and Skills Development

Republic Act No. 7796, otherwise known as the Technical Education and Skills Development Act of 1994, declares the policy of the State to provide relevant, accessible, high quality and efficient technical education and skills development (TESD) in support of the development of high quality Filipino middle-level manpower responsive to and in accordance with Philippine development goals and priorities. The Technical Education and Skills Development Authority (TESDA) is tasked to manage and supervise TESD in the Philippines.

## Vision

TESDA is the leading partner in the development of the Filipino workforce with world-class competence and positive work values.

## Mission

TESDA provides direction, policies, programs and standards towards quality technical education and skill development.

## Values Statement

We believe in demonstrated competence, institutional integrity, personal commitment and deep sense of nationalism.

## Quality Policy

"We measure our worth by the satisfaction of the customers we serve"

# MESSAGE

---

TESDA recognizes that whatever strides the Philippine technical vocational education and training (TVET) sector has achieved through the years cannot be solely attributed to the Agency. These accomplishments are results of the concerted efforts of all stakeholders who share the vision of developing the Filipino workforce that is armed with competencies that respond to the challenges of the new global economic landscape.

The Agency therefore continues to expand and strengthen partnership with various groups and institutions. These partnerships have paved the way to improved public perception on TVET and TESDA and better opportunities to its graduates.

May these partnerships continue to bind TESDA and its partners in the pursuit of world-class competencies for every Filipino worker and inclusive growth to all Filipinos.

Maraming salamat, TESDA partners!

  
**IRENE M. ISAAC**  
**Director General**

# FOREWORD

---

This Directory of TESDA Partners is the Agency's simple gesture of recognizing its partners on their contribution in improving the delivery of TVET that likewise helps sustain the government's efforts towards socio-economic development.

As a result of the initial efforts of the Partnerships and Linkages Office (PLO) in documenting TESDA's partnerships from 2010 up to the present is this Directory containing the profile of close to a thousand partners working closely with TESDA in various parts of the country. The partners are from industry associations, companies, institutions, non-government organizations, local government units, national government agencies and development programs such as scholarships, skills training, assessment and certification, and promotion and advocacy, among others.

Through this Directory, we hope that other stakeholders would be encouraged to look into their requirements and resources and consider TESDA as a strategic partner in achieving their goals while at the same time contributing to the development of the community where they operate.

We are optimistic that the number of our partners would increase as the various stakeholders have recognized the value and importance of TVET in transforming people's lives towards the "Masayang Pagbabago" being espoused by the Agency.

**ATTY. TEODORO C. PASCUA**  
Deputy Director General  
for TESD Operations
