Webliography

The Webliography is an electronic bibliographic listing of topics related to the qualification titles of a particular TVET priority sector, with pre-searched *URLs* (uniform resource locators) and descriptions (abstracts).

The pre-searched *URLs* provide contents in reference to the title of promulgated Training Regulations (TR). By clicking the weblinks (underlined *URLs* in blue text), your internet browser will direct you to the website/webpage where you can find the topic related to the title you selected. The Webliography is a useful tool for trainers who are designing and developing competency-based curriculum and learning materials.

Furniture and Fixtures

Scope:

Philippine furniture is one of the priority export products given assistance and support by the government. Export has grown at an annual average of 11 percent in the last ten years. In fact, it has made significant inroads in the highly competitive export market. Developments in the industry have also seen the increase in the number of production infrastructures and highly skilled craftsmen and manpower supporting the surging growth of the industry.
