*Bidders must state here either "**Comply**" or "**Not Comply**" against each of the individual parameters of each specification corresponding to performance parameter offered. Statement of "Comply" must be supported by evidence in a Bidder's Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements or specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate.

I hereby certify that the statement of compliance to the foregoing technical specifications are true and correct, otherwise, if found to be false either during bid evaluation or post-qualification, the same shall give rise to automatic disqualification of our bid.
