

SUPPLEMENTAL/BID BULLETIN

BID BULLETIN NO. 1

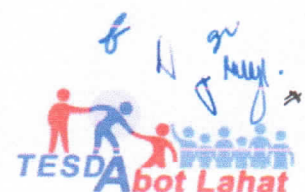

6 June 2022

Name of Project: **Supply and Delivery of One (1) Unit Passenger Van and Sixteen (16) Units Pickup Trucks for the Technical Education and Skills Development Authority (TESDA)**

Pursuant to Section 22.5 of the Revised Implementing Rules and Regulations of Republic Act No. 9184, this Bid Bulletin No. 1 is being issued to further clarify the provisions in the Bidding Documents with reference to the queries/concerns raised by the bidders.

1. On the query on the participation on only one (1) lot
 - The prospective bidder may opt to bid on either of the two (2) lots or on both lots since the bidding for this procurement project is on a per lot basis.
2. On the number of copy/set to be submitted by the prospective bidder (Section III of the Bidding Documents)
 - As stated in Instruction to Bidders (ITB) Clause No. 15 under Section III (Bid Data Sheet) of the Bidding Documents, each Bidder shall submit one copy of the first and second components of its Bid.

The Procuring Entity requests two (2) additional hard copies of the Bid. However, failure of the Bidders to comply with the said request shall not be a ground for disqualification.
3. On the submission of a Certification from the Manufacturer that the Brand of the motor vehicle being offered has been in the Philippine Market for the last twenty (20) years as one of the documentary requirements for post-qualification (Section III of the Bidding Documents)
 - It must be stressed that only the manufacturer of the brand can fully attest that the motor vehicle being offered by the bidder has been in the Philippine Market for the last twenty (20) years.
4. On the payment terms (Section IV of the Bidding Documents)
 - Payment shall be made within thirty (30) working days provided that the delivery of the motor vehicles and the inspection of the goods are completed.

5. On the delivery period (Section VI of the Bidding Documents)

- No changes in the delivery period shall be made for the reason that it may hamper the delivery of services by TESDA regional operating units to its stakeholders. The winning bidder has to deliver the goods within thirty (30) calendar days from receipt of the Notice to Proceed.

6. On the change in the engine displacement of the pick-up trucks (Section VII of the Bidding Documents)

- Kindly refer on the revised Section VII of the Bidding Documents incorporating the following amendment on Lot 2 - Pickup Trucks:

ORIGINAL		AMENDED	
ENGINE DISPLACEMENT (cc)	2,800cc – 3,000cc	ENGINE DISPLACEMENT (cc)	2,700cc – 3,000cc

7. On the color of the pick-up truck (Section VII of the Bidding Documents)

- As stated in the Bidding Documents, white is the approved color for this procurement project considering the existing fleet of pickup trucks procured in 2019.

For the information and guidance of all concerned.

DDG LINA C. SARMIENTO

* Bidders must state here either "Comply" or "Not Comply" against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of "Comply" or "Not Comply" must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.

I hereby commit to comply and deliver all the above requirements in accordance with the above stated schedule.
