1	<p>We are writing to inform you of an unforeseen delay in our preparations for the bid submission of Design and Build of the TESDA Innovation Center (TTIs) with Rehabilitation Works for Region X, (RTIC-Tagoloan, Misamis Oriental, Mindanao), originally scheduled for site visit was on October 24, 2024. Unfortunately, due to the severe weather conditions brought about by Typhoon Kristine, we were unable to conduct the site visit as planned.</p> <p>As a result, our team will now be visiting the site today, November 25, 2024. However, this disruption significantly impacted our timeline, especially regarding the rehabilitation/renovation scope of work. In order to ensure that we can provide a more accurate and comprehensive bid, we kindly request that you consider postponing the bidding deadline.</p> <p>We understand that this may cause some adjustments to your schedule, and we truly appreciate your understanding and consideration of this request. We are committed to delivering a thorough and precise proposal, and a slight extension would greatly assist us in meeting these expectations.</p>	Section 2. Bid Data Sheet	D.
