

04 April 2025

Loan/Grant No. : 4268-PHI: Supporting Innovation in the Philippine Technical and Vocational Education and Training System Project

Contract No. and Title : **CW302/B: Design and build of Regional TVET Innovation Center (RTIC) of Northern Mindanao School of Fisheries, CARAGA including Rehabilitation/ Renovation/Repair of TTI's existing facilities**

BID BULLETIN NO. 1

Pre-bid Minutes of Meeting

Date : 31 March 2025
Time : 10:00 AM
Venue : via Zoom

Highlights of the Meeting:

1 Welcome Remarks & Introduction

DDG Felizardo R. Colambo, the Bids and Awards Committee ("BAC") Chairperson chaired the Pre-bid meeting. Prospective bidders were welcomed, and their representatives were requested to introduce themselves.

2 Reading of the House Rules

The BAC Secretariat read the rules governing the conduct and decorum of participants during the presentation.

3 Presentation of Project Background / SIPTVETS

Before discussing the specifics of the project, an overview of the SIPTVETS civil works packages was presented to the prospective bidders to provide important context and encourage their participation for future opportunities.

4 Discussion of Project-Specific Information

The following information were discussed in detail to the prospective bidders:

- Overview of the project site / Schematic perspective
- Site information and challenges
- Vicinity map and site conditions
- Design and build Scope of works
- Rehabilitation / repair works

5 Discussion on Bidding Procedures and Guidelines

The following information were discussed in detail to the prospective bidders:

- Bidding timeline
- Composition of the bidding documents
- Select clauses in Section 1. Instructions to Bidders

- Select clauses in Section 2. Bid Data Sheet
- Each criteria for evaluation under Section 3, including its corresponding forms under Section 4
- Other requirements under Section 2, 4 and 6.
- Key requirements for technical proposal
- Schedules for Price Proposal under Section 4
- Bid Securing Declaration & Bid Security

6 Recap of Important Dates and Joint Site Visit

The BAC Secretariat provided a recap of key bidding milestones that had been presented earlier.

Prospective bidders were encouraged to attend the joint site visit on April 7, 2025 (10:00 AM) at Northern Mindanao School of Fisheries.

7 Reminder on Purchase of the Bidding Document

Prospective bidders were reminded to purchase a copy of the bidding document before the submission deadline.

Question and Answers

Prospective bidders raised questions/clarifications during the meeting, and the following responses were given:

- In the ITB 20.1, the Prospective bidders must submit one (1) printed copy ("COPY") of the Official bidding Documents and one (1) electronic copy saved in a universal serial bus (USB).
- No design is to be submitted by the bid submission deadline. The
- Bidding document contains a conceptual or schematic design that the Contractor may utilize for cost estimation.
- The Contractor is responsible for design and construction. TESDA's design consultant reviews and recommends approval of the contractor's design to TESDA.
- Bidders are advised to refer to Section 6, Employer's Requirements, and Section 7 , General Conditions of Contract, for the design and approval process.
- A special PCAB license is not necessary for bid submission. However, once the contract is awarded, the JV (Joint Venture) must submit a copy of its Special PCAB License to TESDA, especially for the awarded works.
- The Bidding Documents were uploaded in the Philgeps and TESDA Website for information and Reference

Meeting Adjourned at 3:29 pm

SCHEMATIC PERSPECTIVE

- REGION IX - REGIONAL TRAINING CENTER-ZAMBOANGA PENINSULA
- ± 2065.00 sqm (Gross Floor Area)

by **TESSDA**
KayangKaya

SITE INFORMATION

Location	Telung Drive, Zamboanga City Region 9
Focus Area	Mechanics, Industrial Automation for Fish Processing, Automotive
Lot Area for RTIC	± 3,545.00 sq.m.
Approx. Gross Floor Area	± 2,065.00 sq.m
Floor/ Storey/s	Two (2) and One (1) Mezzanine
Site Challenges	Low Elevation: The proposed site is at a lower elevation compared to the road. The ground floor will need to be elevated, and site drainage must be improved to prevent flooding. Trees/ Thick Vegetation: Significant clearing efforts, including potential tree cutting, will be necessary before mobilization. It's important to secure the necessary clearances and provide an updated tree inventory. Existing Structures for Demolition The presence of existing structures within the site will require clearing or demolition before construction can begin.

XXII. ANNEXES	
Annex A - Schematic Perspective Annex B - General Plans Annex C - Branding Annex D - Schematic Floor Plans Annex E - NCR Permit Area Shown Annex F - Initial Environmental Data Annex G - Requirements for Rehabilitation Annex H - Project Information Sheet	

SECTION 1. Instructions to Bidders

4. Eligible Bidders
- 4.1 A Bidder may be a natural person, private entity, or government-owned enterprises subject to ITB 4.5 or any combination of them with a formal intent to enter into an agreement or under an existing agreement in the form of a Joint Venture. In the case of a Joint Venture:
- (a) all partners shall be jointly and severally liable; and
 - (b) the Joint Venture shall nominate a Representative who shall have the authority to conduct all business for and on behalf of any and all the parties of the Joint Venture during the bidding process and, in the event the Joint Venture is awarded the Contract, during contract execution.
- 11.2 In addition to the requirements under ITB 11.1, Bids submitted by a Joint Venture shall include a copy of the Joint Venture Agreement entered into by all partners. Alternatively, a Letter of Intent to execute a Joint Venture Agreement. In the event of a successful Bid shall be signed by all partners and submitted with the Bid, together with a copy of the proposed agreement.

SECTION 1. Instructions to Bidders

7. Clarification of Bidding Document, Site Visit, Pre-Bid Meeting
- 7.1 A prospective Bidder requiring any clarification on the Bidding Document shall contact the Employer in writing at the Employer's address indicated in the BOS or raise his inquiries during the pre-bid meeting if provided in accordance with ITB 7.4. The Employer will respond in writing to any request for clarification provided that such request is received prior to the deadline for submission of bids within a period given in the BOS.
- 7.2 The Bidder is advised to visit and examine the Site of Works and its surroundings and obtain for itself, on its own risk and responsibility, all information that may be necessary for preparing the Bid and entering into a contract for construction of the Works. The costs of visiting the Site shall be at the Bidder's own expense.

SECTION 1. Instructions to Bidders

8. Amendment of Bidding Document
- 8.1 At any time prior to the deadline for submission of Bids, the Employer may amend the Bidding Document by issuing addenda.
- 8.2 Any addendum issued shall be part of the Bidding Document and be communicated in writing to all who have obtained the Bidding Document from the Employer in accordance with ITB 6.3.
12. Letter of Bid and Schedules
- 12.1 The Letter of Bid, Schedules, and all documents listed under shall be prepared using the relevant forms in Section 4 (Bidding Form) if so provided. The forms must be completed without any alterations, and no substitutions shall be accepted. All blank spaces filled in with the information requested and as required in the

SECTION 1. Instructions to Bidders

16. Documents Comprising the Technical Proposal
- 16.1 The Bidder shall furnish a Technical Proposal including a statement of work methods, equipment, personnel, schedule, environmental, health and safety (EHS) management commensurate with the proposed scope of works, EHS Code of Conduct, and any other information as stipulated in Section 4 (Bidding Form). In sufficient detail to demonstrate the adequacy of the Bidder's proposal to meet the work requirements and the completion time.

SECTION 1. Instructions to Bidders

- DTI-registered
 - o If signatory is the sole proprietor, no need to submit an authorization.
 - o If through authorized representative, submit a notarized SPA.
- SEC-registered
 - o Single Entity
 - Board resolution
 - Secretary's Certificate
 - o Joint Venture
 - Authority of the JV representative (through JV Agreement or Letter of Intent to form a JV)
 - Written authority of JVA Signatory of JV Partner 1 (Board resolution or Secretary's Certificate)
 - Written authority of JVA Signatory of JV Partner 2 (Board resolution or Secretary's Certificate)

20. Format and Signing of Bid
- 20.1 The Bidder shall prepare one original set of the documents comprising the Bid as described in ITB 11 and clearly mark it "CONFIDENTIAL". Alternative Bids, if submitted in accordance with ITB 15, shall be clearly marked "ALTERNATIVE". In addition, the Bidder shall submit copies of the Bid in the number specified in the BOS, and clearly mark each of them "COPY". In the event of any discrepancy between the original and the copies, the original shall prevail.
- 20.2 The original and all copies of the Bid shall be typed or written in indelible ink and signed by a person duly authorized to sign on behalf of the Bidder. The authorization shall consist of a written declaration as specified in the BOS and shall be attached to the Bid. The name and position held by each person signing the authorization shall be typed or printed below the signature. If a Bidder submits a deficient authorization, the Bid shall not be received in the first instance. The Employer shall request the Bidder to submit an accurate authorization within the number of days as specified in the BOS. Failure to provide an accurate authorization within the period stated in the Employer's request shall cause the rejection of the Bid. If after the Letter of Bid or the Bid-Securing Deposit has been received, the Bid shall not be rejected.

SECTION 1. Instructions to Bidders

- E. Evaluation and Comparison of Bids
26. Confidentiality
- 26.1 Information relating to the examination, evaluation, comparison, and prequalification of Bids and recommendation of contract award shall not be disclosed to bidders or any other persons not officially concerned with such process until the publication of Contract award.
- 26.2 Any attempt by a Bidder to influence the Employer in the evaluation of the Bids or Contract award decisions may result in the rejection of its Bid.
- 26.3 Notwithstanding ITB 26.2, from the time of bid opening to the time of Contract award, if any Bidder wishes to discuss its Bid with the Employer on any matter related to the bidding process, it may do so in writing.
27. Clarification of Bids
- 27.1 To assist in the examination, evaluation, and comparison of the bids, and qualification of the Bidders, the Employer may, at its discretion, ask any Bidder for a clarification of its Bid. Any clarification submitted by a Bidder that is not in response to a request by the Employer shall not be considered. The Employer's request for clarification and the responses shall be in writing. No change in the price or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the Bids, in accordance with ITB 31.
- 27.2 If a Bidder does not provide clarifications of its Bid by the date and time set in the Employer's request for clarification, its Bid may be rejected.

Bidding Documents

Bidders should read the **entirety** of the Bidding Documents.

B. Contents of Bidding Document	
4. Sections of Bidding Document	5.1 The Bidding Document consists of Parts I, II, and III, which include all the sections indicated below, and should be read in conjunction with any addenda issued in accordance with ITS 8
PART I: Bidding Procedures	
Section 1: Instructions to Bidders (ITB)	
Section 2: Bid Data Sheet (BDS)	
Section 3: Evaluation and Qualification Criteria (EQC)	
Section 4: Bidding Forms (BDF)	
Section 5: Eligible Countries (EC)	
PART II: Requirements	
Section 6: Employer's Requirements (ER)	
PART III: Conditions of Contract and Contract Forms	
Section 7: General Conditions of Contract (GCC)	
Section 8: Particular Conditions of Contract (PCC)	
Section 9: Contract Forms (CF)	
XIII. ANNEXES	
Annex A - Schematic Perspective	
Annex B - Space Matrix	
Annex C - Branding	
Annex D - Schematic Floor Plan	
Annex E - RTC Postal Area Showers	
Annex F - Initial Environmental Ex	
Annex G - Requirements for rehab	
Annex H - Project Information Sign	

SECTION 1. Instructions to Bidders

- 4. Eligible Bidders**
- 4.1 A Bidder may be a natural person, private entity, or government-owned enterprises subject to ITB 4.5 or any combination of them with a formal intent to enter into an agreement or under an existing agreement in the form of a Joint Venture. In the case of a Joint Venture:
- (a) all partners shall be jointly and severally liable; and
 - (b) the Joint Venture shall nominate a Representative who shall have the authority to conduct all business for and on behalf of any and all parties of the Joint Venture during the bidding process and, in the event the Joint Venture is awarded the Contract, during contract execution.
- 11.2 In addition to the requirements under ITB 11.1, Bids submitted by a Joint Venture shall include a copy of the Joint Venture Agreement entered into by all partners. Alternatively, a Letter of Intent to execute a Joint Venture Agreement in the event of a successful Bid shall be signed by all partners and submitted with the Bid, together with a copy of the proposed agreement.

SECTION 1. Instructions to Bidders

- 7. Clarification of Bidding Document, Site Visit, Pre-Bid Meeting**
- 7.1 A prospective Bidder requiring any clarification on the Bidding Document shall contact the Employer in writing at the Employer's address indicated in the BOS or raise his request during the pre-bid meeting if provided for in accordance with ITB 7.4. The Employer will respond in writing to any request for clarification provided that such request is received prior to the deadline for submission of bids within a period given in the BOS.
- 7.2 The Bidder is advised to visit and examine the Site of Works and its surroundings and obtain for itself, on its own risk and responsibility, all information that may be necessary for preparing the Bid and entering into a contract for construction of the Works. The costs of visiting the Site shall be at the Bidder's own expense.

SECTION 1. Instructions to Bidders

- 8. Amendment of Bidding Document**
- 8.1 At any time prior to the deadline for submission of Bids, the Employer may amend the Bidding Document by issuing addenda.
- 8.2 Any addendum issued shall be part of the Bidding Document and be communicated in writing to all who have obtained the Bidding Document from the Employer in accordance with ITB 6.3.
- 12. Letter of Bid and Schedules**
- 12.1 The Letter of Bid, Schedules, and all documents listed under shall be prepared using the relevant forms in Section 4 (Bidding Forms) if so provided. The forms must be completed without any alteration to the text, and no substitutions shall be accepted. All blank spaces filled in with the information requested and as required in the

SECTION 1. Instructions to Bidders

- 16. Documents Comprising the Technical Proposal**
- 16.1 The Bidder shall furnish a Technical Proposal including a statement of work methods, equipment, personnel, schedule, environmental, health and safety (EHS) management commensurate with the proposed scope of work, EHS Code of Conduct, and any other information as stipulated in Section 4 (Bidding Forms), in sufficient detail to demonstrate the adequacy of the Bidders' proposal to meet the work requirements and the completion time.

SECTION 1. Instructions to Bidders

- DTI-registered
 - o If signatory is the sole proprietor, no need to submit an authorization.
 - o If through authorized representative, submit a notarized SPA.
- SEC-registered
 - o Single Entity
 - Board resolution
 - Secretary's Certificate
 - o Joint Venture
 - Authority of the JV representative (through JV Agreement or Letter of Intent to form a JV)
 - Written authority of JVA Signatory of JV Partner 1 (Board resolution or Secretary's Certificate)
 - Written authority of JVA Signatory of JV Partner 2 (Board resolution or Secretary's Certificate)

SECTION 1. Instructions to Bidders

- E. Evaluation and Comparison of Bids**
- 26. Confidentiality**
- 26.1 Information relating to the examination, evaluation, comparison, and postqualification of Bids and recommendation of Contract award, shall not be disclosed in written or any other process not otherwise concerned with such process until the publication of Contract award.
- 26.2 Any attempt by a Bidder to influence the Employer in the evaluation of the Bids or Contract award decisions may result in the rejection of its Bid.
- 26.3 Notwithstanding ITB 26.2, from the time of bid opening to the time of Contract award, if any Bidder wishes to contact the Employer on any matter related to the bidding process, it may do so in writing.
- 27. Certification of Bids**
- 27.1 To assist in the examination, evaluation, and comparison of the bids, and qualification of the Bidders, the Employer may, at its discretion, ask any Bidder for a certification of its Bid. Any certification submitted by a Bidder that is not in response to a request by the Employer shall not be considered. The Employer's request for certification and the response shall be in writing. No change in the price or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the Bids, in accordance with ITB 31.
- 27.2 If a Bidder does not provide certification of its Bid by the date and time set in the Employer's request for certification, its Bid may be rejected.

SECTION 2. Bid Data Sheet

ITB 22.1	For bid submission purposes only, the Employer's address is: Attention: Ms. Jela Mae Arcano Head, BAC-B, Secretariat Street address: East Service Road, South Luzon Expressway (SLEX), Fort Bonifacio Floor/Room number: TESDA Administration Building City: Taguig City ZIP code: 1630 Country: Philippines The deadline for bid submission is: Date: 09 May 2025 for Region IX - Zamboanga Peninsula and CARAGA Northern Mindanao School of Fisheries (NMSF) and Date: 14 May 2025 for National Capital Region (NCR) Time: 12:00 NN (Philippine Standard Time)

SECTION 2. Bid Data Sheet Joint Site Visit

Package	Date of Visit	Date of Confirmation to Participate
Design and Build of Regional TVET Innovation Center (RTIG) of NCR (Regional Training Center) including Rehabilitation / Renovation / Repair of TTI's existing facilities	04 April 2025 10AM RTIC - NCR	3 April 2025
Design and Build of Regional TVET Innovation Center (RTIG) of Northern Mindanao School of Fisheries, CARAGA including Rehabilitation / Renovation / Repair of TTI's existing facilities	07 April 2025 10AM RTIC - Northern Mindanao School of Fisheries, NMSF	4 April 2025
Design and Build of Regional TVET Innovation Center (RTIG) of Region IX (Zamboanga) including Rehabilitation / Renovation / Repair of TTI's existing facilities	10 April 2025 10AM RTIC - Zamboanga, Peninsula	8 April 2025

SECTION 2. Bid Data Sheet

ITB 18.1	The bid validity period shall be 120 days.
ITB 19.1	The Bidder shall furnish a Bid-Securing Declaration.
ITB 19.2	The ineligibility period will be two (2) years.

SECTION 3. Evaluation & Qualification Criteria

SECTION 4. Bidding Forms

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Technical Deviations
- Construction Schedules
 - Overall Schedule
 - Manpower Schedule
 - Equipment Schedule
 - Temporary facilities/utilities Schedule
- Method Statements 1 to 5
- Construction Equipment
- Site Organization and Key Field Personnel
- Environmental, Health and Safety Management Plan
 - Outline of SEMP and SHSMP
 - EHS Code of Conduct

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Technical Deviations
- Construction Schedules
 - Overall Schedule
 - Manpower Schedule
 - Equipment Schedule
 - Temporary facilities/utilities Schedule

Design & Construction Schedule

Refer to Submit a Design and construction schedule in any format.

The design and construction schedule shall be divided into the following six milestones:

- Site location, access and investigation
- Design Works
- Planning Study
- Investigation Report (for new facility)
- Construction Period (for existing facility)
- Final Turnover of the facility (Commissioning)

V. PROJECT DURATION / SCHEDULE

The project shall be completed following the milestones / schedule below:

Milestone	Schedule / Deadline
1. Survey, construction, site, terrain and (update) if needed, Design Completion and Approval	8 months (8 calendar days) from Notice to Proceed (NTP)
2. Finalize Design Completion and Approval	4 months (4 calendar days) from NTP
3. Application of Permits Completed	3 months (3 calendar days) from NTP
4. Construction Work (Excavation, earthwork and foundation) Completed	17 months (17 calendar days) from NTP
5. Final Construction Activities Completed	18 months (18 calendar days) from NTP
Contract Duration / Completion	18 months (18 calendar days)

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Technical Deviations
- Construction Schedules
 - Overall Schedule
 - Manpower Schedule
 - Equipment Schedule
 - Temporary facilities/utilities Schedule

Construction Schedule

The Bidder shall submit a construction schedule and Gantt chart of the project in the following format:

1. Design schedule for 18 months

Sample format: Bidder may use the following format:

2. Equipment schedule for 18 months

Sample format: Bidder may use the following format:

3. Schedule for the construction / installation of temporary facility including period of time when other construction is required

Sample format: Bidder may use the following format:

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Method Statements 1 to 5

Method Statement 1: The Bidder's Approach and Method in Temporary Facility Rehabilitation

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

A. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

B. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

C. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

D. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

E. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Method Statements 1 to 5

Method Statement 1: The Bidder's Approach and Method in Temporary Facility Rehabilitation

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

A. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

B. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

C. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

D. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

E. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Method Statements 1 to 5

Method Statement 1: The Bidder's Approach and Method in Temporary Facility Rehabilitation

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

A. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

B. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

C. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

D. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

E. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Method Statements 1 to 5

Method Statement 1: The Bidder's Approach and Method in Temporary Facility Rehabilitation

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

A. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

B. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

C. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

D. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

E. Method Statement for the Rehabilitation of the Temporary Facility

The Bidder shall submit a Method Statement for the Rehabilitation of the Temporary Facility. The Method Statement shall be submitted in the following format:

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Method Statements 1 to 5

Section 3.1.1 - Adequacy of Technical Proposal

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.1. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.2. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.3. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Technical Deviations
- Construction Schedules
 - Overall Schedule
 - Manpower Schedule
 - Equipment Schedule
 - Temporary facilities/utilities Schedule
- Method Statements 1 to 5
- Construction Equipment

Section 3.1.1 - Adequacy of Technical Proposal

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.1. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.2. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.3. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Site Organization and Key Field Personnel

Section 3.1.1 - Adequacy of Technical Proposal

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.1. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.2. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.3. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Site Organization and Key Field Personnel - see requirements in Section 6

Section 3.1.1 - Adequacy of Technical Proposal

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.1. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.2. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.3. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

Section 3. Evaluation & Qualification Criteria

1.1 Adequacy of Technical Proposal

- Environmental, Health and Safety Management Plan
 - Outline of SSEMP and SHSMP
 - EHS Code of Conduct

Section 3.1.1 - Adequacy of Technical Proposal

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.1. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.2. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.3. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

Section 3. Evaluation & Qualification Criteria

2. Eligibility

- Nationality
- No conflicts of interest in accordance with ITB 4.3.
- Not having been declared ineligible by ADB, as described in ITB 4.4.
- Bidder required to meet conditions of ITB 4.5, for Government-owned Enterprises
- Not having been excluded by an act of compliance with a United Nations Security Council resolution in accordance with ITB 4.8.

Section 3.1.1 - Adequacy of Technical Proposal

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.1. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.2. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.3. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

Section 3. Evaluation & Qualification Criteria

2. Eligibility

- Nationality
- Only one (1) Form ELI-1

Section 3.1.1 - Adequacy of Technical Proposal

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.1. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.2. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.3. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

Section 3. Evaluation & Qualification Criteria

2. Eligibility

- Nationality
- In case of JV, each JV Partner must submit Form ELI-2

Section 3.1.1 - Adequacy of Technical Proposal

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.1. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.2. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

1.1.1.3. Method Statements 1 to 5

The Bidder shall submit a technical proposal in accordance with the following criteria:

Section 3. Evaluation & Qualification Criteria

2. Eligibility

- Nationality
- No conflicts of interest in accordance with ITB 4.3.
