6 Recap of Important Dates and Joint Site Visit

The BAC Secretariat provided a recap of key bidding milestones that had been presented earlier.

Prospective bidders were encouraged to attend the joint site visit on April 4, 2025 (10AM) at RTIC NCR.

7 Reminder on Purchase of the Bidding Document

Prospective bidders were reminded to purchase a copy of the bidding document before the submission deadline.

Question and Answers

Prospective bidders raised questions/clarifications during the meeting, and the following responses were given:

- In ITB 20.1, Prospective bidders must submit one (1) printed copy ("COPY") of the Official bidding Documents and one (1) electronic copy saved in a universal serial bus (USB).
- No design is to be submitted by the bid submission deadline. The
- Bidding document contains a conceptual or schematic design that the Contractor may utilize for cost estimation.
- The Contractor is responsible for design and construction. TESDA's design consultant reviews and recommends approval of the contractor's design to TESDA.
- Bidders are advised to refer to Section 6, Employer's Requirements, and Section 7, General Conditions of Contract, for the design and approval process.
- A special PCAB license is not necessary for bid submission. However, once the contract is awarded, the JV (Joint Venture) must submit a copy of its Special PCAB License to TESDA, especially for the awarded works.
- The Bidding Documents were uploaded in the Philgeps and TESDA Website for information and Reference
