B. Bidding Documents

NAME OF PROSPECTIVE BIDDER	BID REQUIREMENT	QUERY/IES	RESPONSE OF THE AGENCY
Toyota Otis, Inc.	Lot No.1: Utility/Commercial Van, Airconditioning System: Dual. Front and Rear	Request to change / amend to Manufacturer's Standard	Denied. The request to change/amend to Manufacturer's Standard is being denied as this particular requirement is specific to the very

			purpose of the project. The van is intended not only for hauling of supplies, materials, small office equipment and furniture but also for the transportation of TESDA personnel. Additionally, the agency estimate was derived for Dual Air Conditioning System that any variation would be disadvantageous to the government.
Diamond Motor Corp. Marcos Highway	Lot 2: Pick Up Truck Engine Type: Diesel, 4 Cylinder, 16 Valve DOHC with Turbo Intercooler	Would the 4N16 2.4 Liter Turbocharged Direct Injection Diesel (Euro 4) engine offering enhanced power traction and hauling capabilities be considered	The engine should pass / possess the required technical specifications / elements as stated in the Bidding Documents.

For the information and guidance of all concerned.
